- To take full advantage of the technical properties of your jersey, it should fit close to the body so that moisture is effectively transported away from the skin to help keep you cool and dry. If you're going by the small, medium, large sizing the ladies should order their normal size but men should order the next size up to get the proper fit.
- If you prefer a looser fitting jersey, order another size up again.

**£39.99** including p&p (mainland UK postal addresses only. Please contact us for postage costs to N Ireland or the islands of Great Britain). Your jersey will be delivered by Royal Mail.
