

## Croatia Mountain Trek

Duration: 5 days

The Istria Peninsula in northern Croatia is relatively unknown, a hidden gem which feels a world away from the well-touristed Adriatic coast to the south.

With spectacular, diverse scenery of lush green forested hills and limestone mountain peaks, vineyards and olive groves, meandering rivers, untouched stone villages and medieval hilltop towns, the region offers rich rewards for those who like to trek away from the crowds.

Following the Istria Mountain Trail across the peninsula, we trek from the wooded hills around Buzet east into Učka National Park, where we crest three mountain peaks, culminating in fabulous views over the entire region from the rocky summit of Mount Učka.

## DETAILED ITINERARY

### Day 1: Fly and transfer to Buzet

We arrive into the region and transfer to the characterful town of Buzet, known for its production of local grappa (schnapps). There should be time to explore the old town, and visit the local brewery for a chance to sample the different grappa flavours! Night hotel.

**Drive approx. 2 hours**

*NB: We do not always fly into the same airport for this challenge; Ljubljana (Slovenia), Trieste (Italy) and Pula (Croatia) are all suitable options. Group flight details will be confirmed nearer the time.*

### Day 2: Buzet - Oprtalj - Buzet

A 30-minute drive takes us to Oprtalj, a small and very picturesque town marking the start of the Istrian Mountain Trail. Our trek starts fairly gently on undulating wooded trails, passing small villages and farmland before climbing to a wonderful viewpoint over the River Mirna, with vistas stretching to Mount Učka. We then pass the imposing ruins of Pietrapelosa castle as we head downhill into the valley. After more undulating trails passing small villages, we enjoy beautiful views across to Buzet, perched picturesquely on a forested hilltop, and return there for the night. Night hotel.

**Trek approx. 6-7 hours**

---

### Day 3: Buzet - Hum - Buzet

A long but absolutely beautiful day awaits! Walking alongside the river, dwarfed by sheer rock faces, we walk through woodland, gradually gaining height, and pass lakes and waterfalls. We pass an old abandoned village with traditional Istrian stone houses, and an old watermill beside natural pools, before reaching Hum for lunch. Officially listed as the worlds' smallest town, Hum is also known for its grappa and is our mid-way point. We continue climbing through the wooded valley to a stunning viewpoint, before heading back to Buzet on a scenic, undulating path passing yet more waterfalls. Night hotel.

**Trek approx. 8-10 hours**

---

### Day 4: Buzet - Učka - Lovran

A half-hour drive takes us to Brgudac, where we fill our bottles from the village's wooden troughs, always brimming with pure spring water. We set off uphill through oak forests onto a mountainous plateau and onto Korita Peak (1050m); once above the treeline we can enjoy wonderful views of the Učka massif. We continue over the undulating karst plateau to the bare rocky peak of Veliki Planik (1272m), the highest point on the Čičarija plateau. Mesmerising views over Central Istria are our just reward for this more strenuous haul. Descending to a saddle between the mountains, we are spurred on by fabulous sea views to Mount Učka – our highest point at 1401m. The limestone massif dominates the surrounding countryside and features heavily in local folk-lore. It's a long haul to the top, but it's possible to see the Alps to the north and the Adriatic islands to the south, as well as all over Istria: a fitting end to our trek! After soaking up the views, we drive to Lovran, a lovely historic town on the east coast of the peninsula. Night hotel.

**Trek approx. 7-8 hours**

---

### Day 5: Transfer to airport; fly to UK

After breakfast we transfer back to the airport for our flight home. *(Lunch not included if not in-flight)*

## CHALLENGE INFORMATION

### DETAILED INFORMATION

#### Leaders & Trip Support

Your trip will be led by experienced Discover Adventure leaders. Our leaders are selected for their experience in harsh wilderness environments, knowledge of travel in remote areas, friendliness and approachability, sense of humour and ability to safely and effectively deal with any situation that arises. They are also trained in expedition first aid. You are in very safe hands with a Discover Adventure leader. Usually leaders are based in the UK or other English-speaking countries and lead for us regularly throughout the year in many different countries. In some instances, trips are led by in-country guides with a wealth of knowledge about the region; they have been trained by us to provide the level of support expected on a Discover Adventure trip.

## Trip Doctor

An expedition doctor or medic accompanies the group (dependent on group size.) Their role is to look after the well-being of the whole group and deal with any medical incidents. They help the crew to ensure the trip runs smoothly, and encourage you when things get tough. The total number of crew looking after you will depend on the final size of your group.

---

## Local Support Crew

Our local support crew is made up of local guides, assisted by drivers, porters, cooks and other support staff, depending on the type of trip. Local guides know the area well, and are a great source of knowledge about local lifestyles. The Discover Adventure crew work closely with the local crew to ensure your trip runs smoothly and safely. In some destinations we work together as a team with local guides to help set up or break camp, or prepare meals. Your leader will arrange a collection of tips for the local support crew at the end of your trek, and you will be provided with a guideline amount in advance. Tipping is not obligatory, but once you see how hard they work on your behalf you will be happy to donate something!

---

## Trip Safety

Your safety, and that of the rest of the group, is our highest priority. Our trips are designed and planned with safety in mind. Your crew will be equipped with communication devices (eg phones, radios and/or emergency satellite phones), medical kit and other safety apparatus appropriate to the destination. Our leaders always have access to our 24-hour emergency UK back-up. They are responsible for safety on the trip, and will make any changes to the itinerary they deem necessary, should local conditions dictate. Pre-trip administration - such as medical questionnaires and travel insurance as appropriate - is all done with your safety in mind.

## Flight Information

Group flights usually leave from London Heathrow or Gatwick but may also depart from regional airports, and are booked through Discover Adventure Ltd under ATOL licence 5636. You will usually receive confirmed flight details several months before departure. We do not always use the same airline for each destination and low cost airlines may be used for short haul flights. If you wish to know the probable carrier and flight times, please call for details.

By travelling with Discover Adventure you are protected by the Civil Aviation Authority (CAA). Our itineraries are always based on current flight schedules and are therefore subject to change by the airline. If you prefer to book your own flights please ask us for a land-only cost.

---

## Accommodation

Accommodation is usually in well-located, comfortable 2-3\* hotel(s); standards are generally very good though there may be some variation.

---

## Roomshare Arrangements

Accommodation is usually on a twin-share basis. Occasionally we may use hostel-style accommodation. Please tell us if you know somebody else on the trip that you would like to share with and we will try our best to accommodate your request. If you don't know anyone else in the group don't worry, we always pair you up with someone of the same gender, and a similar age where possible. We do not charge a single supplement if you are a solo traveller in a shared room.

---

## Group Size

Your booking is part of a group challenge, and the tour costs and fundraising targets listed on our website are based on a minimum number of participants which is shown on the challenge. Our typical groups run with approximately 15-25 participants; however you may find your group is smaller or larger than this.

We will confirm at least 12 weeks prior to departure that your challenge is guaranteed to run. Occasionally it may be possible to still run the challenge with less than the minimum numbers, subject to a small group supplement. If we think a small group supplement may be necessary, we will discuss this with you as soon as possible, usually 5 months before your departure date.

**Minimum numbers and groups sizes may vary on Bespoke Charity challenges. If you are booked onto a bespoke challenge please contact your charity for full details.**

## Food & Dietary Requirements

The food provided is plentiful, often local in style and freshly-cooked, and will give you plenty of energy. Sometimes we enjoy a buffet-style lunch-stop, other times we might have packed lunches. On some trips we stop at small local restaurants. Dinners are generally eaten at our accommodation each evening. In some regions there may be less variety than you are used to, and in others fresh meat or produce can be harder to come by. Any meals not included are listed in the itinerary and are generally on travel / free days, giving you the opportunity to explore and try other culinary experiences! There is always something to suit different budgets.

Being vegetarian or having other dietary requirements is not usually a problem provided you let us know well in advance. Please do not expect as much variety as you would have access to at home – we may be in very rural or remote areas, or among people of a different culture who may not understand your requirements, however willing they are to help. If you know there are plenty of foods you cannot eat we strongly recommend you bring extra snacks from home so you can top up your energy supply. Please feel free to ask us for advice.

---

## Luggage

Your luggage, food, water and equipment is transported for you from one night-stop to the next. If there is easy road access this is done by vehicle; if not porters, mules or even camels might carry your bags, depending on the terrain.

Space is limited and hard-sided luggage is not suitable, so it is essential that your kit is packed in a soft bag, rucksack or expedition kitbag. Ask us about our specially-designed low-cost kitbags if you don't have one already. You should also bring a small daypack to carry for items needed during the day as you will not have access to your main luggage until the evening.

## PREPARING FOR THE CHALLENGE

### Fitness Levels

This is designed to be a challenge, and it is vital that you train sufficiently for it. We will supply you with a thorough training guide once you have registered. We expect all participants to train hard in advance, but we respect everyone's limits and do not expect everyone to maintain the same pace. Inadequate training is likely to have an impact not just on your chances of completing the challenge, but enjoying it too - and we want you to have the time of your life!

Our challenges attract people of all levels of experience, fitness and ability as well as all ages and backgrounds. We design our challenges so that everyone can go at their own pace: this is not a race. If you have concerns about your fitness or if you have reduced mobility please do contact us for a confidential chat about whether this challenge is appropriate for you.

For logistical and safety reasons we sometimes need to re-group, so the front-runners may find themselves waiting for the slower ones. Please relax, and remember that this is a team effort that enables people to achieve their personal goals and earn sponsorship.

---

### Passport & Visa / Vaccinations

Entry requirements vary depending on your destination and nationality. It is your responsibility to ensure your passport is valid, and any visas are obtained in good time. Check the [FCO's advice](#) on entry requirements for your destination to be sure. Please ensure you allow plenty of time to apply for your visa; we will provide you with all necessary information 6 weeks prior to departure to assist with your application.

Your routine UK schedule of vaccinations should be up-to-date (especially tetanus). We recommend you check [Fit For Travel](#) for further details. You should always check with a GP or travel clinic for up-to-date travel health advice as it does change.

---

### Clothing & Kit

We plan our trips around the optimal weather conditions, but could still be exposed to bad weather at any time. It is vital you are prepared for all conditions. We provide you with a detailed packing kit-list on registration, with plenty of information, and we are always available if you need advice.

---

### Travel Insurance

Travel Insurance is compulsory on all of our challenges outside of the UK; we strongly suggest that you arrange

insurance cover as soon as your booking with us is confirmed, or as soon as you're able to purchase some, and at least 8 months prior to travel. Should you need to cancel prior to departure, you will need insurance to cover the costs involved (registration fee and any trip costs depending on cancellation date).

We all hope never to need it, and thankfully most of the time we don't, but on those rare occasions when you do, you want it to cover you as best it can. Whilst it's a fairly boring admin task relating to your trip of a lifetime, it is really important you ensure that you have adequate cover for the type of challenge you are taking part in as well as medical emergencies, evacuation and repatriation, so make sure you're happy with the level of cover. There are lots of suppliers out there, with a wide range in levels of cover; generally speaking, you get what you pay for! Get and pay for the right level of cover and then you can go on your adventure not having to worry about the what-if's. For more details click [here](#).

Once your travel insurance is arranged, just remember to let us know the policy number and 24-hr medical emergency phone number provided by your insurers.

## Cultural Differences

For most people, the main attraction of travelling to a different country is to see new sights and enjoy new experiences. Sometimes those new experiences can make life harder or more inconvenient than you may like, such as toilet hygiene or different food, or simply a different attitude to solving problems. This is all part of the challenge you are signing up for! We are very privileged to live in a country with a high standard of living, and travelling exposes us to different challenges – all of which help broaden our horizons. We can guarantee that coming face-to-face with experiences outside your normal 'comfort zone' will help you bond with your fellow participants and provide you with plenty of things to laugh about! A sense of humour and sense of adventure are two of the most important things to bring with you!

---

## Cancelling your booking

In the unfortunate circumstance that you need to cancel your booking, we would ask that you notify us in writing either by post or email. Your cancellation will be considered effective from the date the notice is received. Registration fees and amendment fees are non refundable and, depending on your payment option and how close it is to your challenge departure date, you may be liable for a cancellation charge.

Full details of all cancellation charges may be found in the Terms and Conditions of booking.

It also enables you to see any outstanding information we need, the countdown to your challenge departure, see your outstanding balance, make payments and update your contact details.
