

Alzheimer's Society London To Paris 2020

Duration: 5 days

Cycling from London to Paris is one of the great cycle experiences in Europe. Passing through picturesque Kent countryside, we cross the Channel and continue through the small villages and medieval market towns of Northern France. With long days in the saddle and some strenuous hill-climbs, the sight of the Eiffel Tower, our finishing point, will evoke a real sense of achievement. Our last day in Paris allows us to explore the sights and soak up the romantic atmosphere of this majestic city!

DETAILED ITINERARY

Day 1: London - Calais An early start allows us to avoid the morning traffic as we pass through the outskirts of London onto quieter roads. It is not long before we are among the rolling fields and villages of rural Kent, passing orchards and traditional oast houses where hops are stored. We follow country roads across the hills of the North Downs to Dover and the coast. Taking the ferry to Calais, we have dinner on board and cycle the short distance (approx 5 miles) to our hotel. Night hotel. *(Dinner on ferry not included)*

Cycle approx. 136km (85 miles)

Day 2: Calais - Arras After a hearty breakfast, we head south through beautiful French countryside. Our route takes us along small, quiet roads through villages and small towns. During the afternoon we ride past small War Cemeteries such as at Noordpeene and Gauchin, a reminder of the remarkable history of this region. The terrain is reasonably flat to begin with but becomes more undulating as we travel south. We spend the night in Arras. Night hotel.

Cycle approx 125km (80 miles)

Day 3: Arras - Compiègne This morning, after a couple of long days in the saddle, our legs may feel a little tired. We continue south through villages and along quiet undulating French roads to the more forested region around Compiègne, where we spend the night. This attractive town lies on the banks of the River Oise. Night hotel.

Cycle approx 125 km (80 miles)

Day 4: Compiègne – Paris Our final day's cycling takes us southwest, initially through small villages and woodland before we meet the outskirts of Paris. Needless to say, the volume of traffic increases but our destination and the finish is in sight! We cycle through the Parisian streets, sweeping around the Arc de Triomphe and down the famed Champs-Élysées to our finish beneath the lofty arches of the Eiffel Tower. We head to our hotel and get ready for a celebration meal to mark our achievement. Night hotel.

Cycle approx 96 km (60 miles)

CHALLENGE INFORMATION

DETAILED INFORMATION

Leaders & Trip Support

Your trip will be led by experienced Discover Adventure leaders and support crew, including mechanics. Our leaders are selected for their knowledge and experience, friendliness and approachability, sense of humour and ability to safely and effectively deal with any situation that arises; they are also trained in first aid. The crew will have mobile phones and/or radios where appropriate, medical kit and other safety apparatus where necessary.

The number of crew and support vehicles looking after you will depend on the final size of your group, but the team will be looking after every aspect of your trip whether that's transporting your luggage, ensuring your route is well-marked, making you lunch and sorting out any mechanical problems. Support vehicles are with the group all of the time, and carry all luggage and spares.

Trip Safety

Your safety, and that of the rest of the group, is our highest priority. Our trips are designed and planned with safety in mind. Your crew will be equipped with communication devices (eg phones, radios and/or emergency satellite phones), medical kit and other safety apparatus appropriate to the destination. Our leaders always have access to our 24-hour emergency UK back-up. They are responsible for safety on the trip, and will make any changes to the itinerary they deem necessary, should local conditions dictate. Pre-trip administration - such as medical questionnaires and travel insurance

as appropriate - is all done with your safety in mind.

Accommodation

We usually stay in hotels or lodges of a 2-3* standard or equivalent. Standards may vary between the hotels but they are generally comfortable and convenient for our route. Hotels are often on the outskirts of towns to minimise unnecessary extra mileage and avoid traffic.

Roomshare Arrangements

Accommodation is usually on a twin-share basis in hotels convenient to our route. Please tell us if you know somebody else on the trip that you would like to share with and we will try our best to accommodate your request. If you don't know anyone else in the group don't worry, we always pair you up with someone of the same gender, and a similar age where possible. We do not charge a single supplement if you are a solo traveller in a shared room.

There may be a limited number of single rooms subject to request, on a first-come first-served basis, after you have booked. Extra charges will apply.

Food & Dietary Requirements

We like to support local businesses and will source food locally. Lunches will be in restaurants along the route and dinners are usually eaten at the hotel. Do make sure you eat enough to give you the energy for your exertions. Being vegetarian or having other dietary requirements is not usually a problem provided you let us know well in advance. If you know there are plenty of foods you cannot eat you may wish to bring extra snacks from home so you can top up your energy supply.
