

Amazon Rainforest Extension

Duration: 5 days

The Amazon rainforest is legendary throughout the world as an ecosystem rich in vegetation, wildlife and indigenous culture, and one which is currently under constant threat from mankind.

The River Amazon's source is in Peru, and the river carries around 20% of the world's fresh water. The rainforest covers almost half of Peru and extends into 9 other South American countries. It contains approximately 50,000 species of higher plants – a staggering twenty percent of the world's total. The tree canopy is so dense that almost no sunlight penetrates to the forest floor and there is very little undergrowth. Animal and bird life is incredibly rich, including colourful macaws and toucans, several species of monkey and the rare tapir, jaguar and Andean spectacled bear. Giant otters, caimans, capybara and piranha live in the many waterways.

This is your chance to experience the amazing diversity of flora and fauna set in part of the most famous and awe-inspiring rainforest in the world! We travel by plane and then river boat to our lodge on the banks of the Tambopata River, and explore the trails and waterways on foot and by boat. This isn't a luxury experience, but it's an unforgettable adventure in a unique and threatened world.

DETAILED ITINERARY

Day 1: Cuzco – Puerto Maldonado – Rainforest Lodge

(main group departs Cuzco)

Short morning flight to Puerto Maldonado. Founded at the turn of the century, Puerto Maldonado is known for its logging, rubber, coffee and brazil nut industries, and also as a centre for gold and oil prospectors. You will be met at the airport by one of the Lodge guides, and transported upriver by motorised canoe (approx 3 hours). A boxed lunch is provided on-board and you can sit back on cushioned seats and relax, watching the vegetation change from colonised deforested areas to virgin rainforest. You will pass through the National Park checkpoint and pay the entrance fee to the reserve (not included, ensure you have some cash – you will also need your passports).

On arrival you'll meet the staff at the Lodge, and can have a drink and settle in. Depending on arrival time, there will be a short walk into the forest either before or after dinner. The trail is dominated by giant brazil nut and dipteryx trees and a variety of wildlife has been seen here, despite its close proximity to the Lodge.

Breakfast, lunch and dinner provided. Lodge accommodation

Day 2: River Trip Condenado Lake

An early start takes you to the lake system of Condenado, which you will explore on foot and by motorised canoe. Rich in bird and aquatic life, a family of giant otters have been seen in the vicinity, and birds abound. There is no shade out on the water so bring hat, sunglasses and suntan cream. You then return to the Lodge for lunch. The afternoon is free for exploring the forest around the Lodge, or relaxing and bathing in the cool stream beside the Lodge. In the evening a motorised canoe takes you searching for caimen and other nocturnal animals along the Tambopata River.

Breakfast, lunch and dinner provided. Lodge accommodation

Day 3: River Trip Sachavacayoc Lake

After an early breakfast a short boat ride takes you downriver to the head of the trail to Lake Sachavacayoc (Tapir Lake) which you'll reach after approx 3 hours of trekking. The trail crosses streams and swampy ground and passes giant lapuna trees on its way to the spectacular hidden lake. You then explore the lake and its shores on canoes – a great way to spot wildlife. In the lake itself elusive black caimen and giant otters are occasionally spotted. After a picnic lunch you walk back to the river and return to the Lodge, where you're free to relax.

Breakfast, lunch and dinner provided. Lodge accommodation

Day 4: Rainforest Lodge – Puerto Maldonado – Lima

A dawn start is usually required for the canoe trip back to Puerto Maldonado; the views of the sunrise over the river make it well worth the early start on clear mornings. Wildlife is particularly active at this time, and you are quite likely to hear howler monkeys as they stake out their territories. We make our return journey to UK from Puerto Maldonado.

Breakfast provided. Provide own lunch and dinner.

Day 5: Arrive UK

Land back in the UK.

Please note that circumstances can occur where we are unable to operate this extension exactly as described above. We reserve the right to change the itinerary or use alternative accommodation when conditions dictate. Alternative accommodation is of a very similar standard, offering similar facilities and activities as described in the itinerary, in the same area of the Peruvian Amazon. You will be notified of any changes in advance where possible, but we ask you to understand that, due to the remote location and the logistics involved, this is not always possible.

Contact the office for pricing and availability.

It's advisable to book as early as possible to avoid any problems with availability.

CHALLENGE INFORMATION

DETAILED INFORMATION

Trip Safety

Your safety, and that of the rest of the group, is our highest priority. Our trips are designed and planned with safety in mind. Your crew will be equipped with communication devices (eg phones, radios and/or emergency satellite phones), medical kit and other safety apparatus appropriate to the destination. Our leaders always have access to our 24-hour emergency UK back-up. They are responsible for safety on the trip, and will make any changes to the itinerary they deem necessary, should local conditions dictate. Pre-trip administration - such as medical questionnaires and travel insurance as appropriate - is all done with your safety in mind.

PREPARING FOR THE CHALLENGE

Fitness Levels

This is designed to be a challenge, and it is vital that you train sufficiently for it. We will supply you with a thorough training guide once you have registered. We expect all participants to train hard in advance, but we respect everyone's limits and do not expect everyone to maintain the same pace. Inadequate training is likely to have an impact not just on your chances of completing the challenge, but enjoying it too - and we want you to have the time of your life!

Our challenges attract people of all levels of experience, fitness and ability as well as all ages and backgrounds. We design our challenges so that everyone can go at their own pace: this is not a race. If you have concerns about your fitness or if you have reduced mobility please do contact us for a confidential chat about whether this challenge is

appropriate for you.

For logistical and safety reasons we sometimes need to re-group, so the front-runners may find themselves waiting for the slower ones. Please relax, and remember that this is a team effort that enables people to achieve their personal goals and earn sponsorship.

Clothing & Kit

We plan our trips around the optimal weather conditions, but could still be exposed to bad weather at any time. It is vital you are prepared for all conditions. We provide you with a detailed packing kit-list on registration, with plenty of information, and we are always available if you need advice.

Cancelling your booking

In the unfortunate circumstance that you need to cancel your booking, we would ask that you notify us in writing either by post or email. Your cancellation will be considered effective from the date the notice is received. Registration fees and amendment fees are non refundable and, depending on your payment option and how close it is to your challenge departure date, you may be liable for a cancellation charge.

Full details of all cancellation charges may be found in the Terms and Conditions of booking.

Passenger Portal

We have a Passenger Portal which will give you more details of the challenge itself. It also enables you to see any outstanding information we need, the countdown to your challenge departure, see your outstanding balance, make payments and update your contact details. You can access this via the following link - [Passenger Portal Log in](#).

Discover Adventure reserves the right to change the route or itinerary for safety reasons should local conditions dictate.
