

Blood Cancer UK Snowdon By Night 2022

Snowdonia National Park in North Wales is synonymous with beautiful, rugged landscapes and wonderful trekking and outdoor pursuits. The highest mountain in England and Wales at 1085m, Snowdon's Welsh name is Yr Wyddfa, reputedly the burial place of a mythical giant. A popular summit trek by day-time, it forms a real challenge by night.

Standing at the summit as the dark disappears will be an unforgettable experience, as will seeing the sunrise from the mountain slopes. Witnessing the spectacular landscapes opening up before us as the day grows lighter is a magical and unforgettable experience.

Our base for this challenge is a friendly hotel, which makes for a sociable start to our challenge as we sort our kit and get to know each other and the crew. At the end, we gather back together in the warm and celebrate our overnight achievement with a slap-up breakfast!
