**MARATHON WALK LONDON** • 1 DAY

## Day 1: Marathon Walk London - Half Marathon Distance

The half-distance option sets off a little later than the full-distance participants, from the same event hub in Bloomsbury Square Garden. From here, the first mile follows the full marathon route, before splitting eastwards heading straight for St Paul's Cathedral.

We take a turn to the north, heading through the Barbican, to St Luke's, passing Old Street Station, up through Shoreditch and Hoxton, before reaching the Regent's Canal near to Islington and rejoining the full marathon route. With the canal by our side, our route heads towards Angel Station in Islington and St Pancras, before heading to Camden Town and passing through its famous market. We walk a short distance through Regent's Park, which is home to London Zoo and a favourite with many Londoners and tourists alike for its peaceful atmosphere. We loop south through Little Venice and then leave the canal behind us.

Splitting once again from the full-marathon route, we pass Paddington Station and head down Edgware Road to Marble Arch. We skirt the west side of Hyde Park, before reaching Constitution Hill heading for Buckingham Palace, and through St James's Park. From here, we head northwards up through Covent Garden before returning to our atmospheric hub in Bloomsbury Square Garden.

There will be plenty of time for celebratory photos on the Finish Line, relaxation and refreshments before heading back home.

## ROUTE PROFILE

### Day 1: Marathon Walk London - Full Marathon Distance

We meet early at our event hub in Bloomsbury Square Garden and, after a rousing warm-up and briefing, set off!

The first part of our route begins in the direction of the River Thames. We walk via Fleet Street and head over Blackfriars Bridge, before walking the short distance to Millennium Bridge and heading north towards St Paul's Cathedral. Passing the Bank of England in the financial centre, we head southwards again to cross London Bridge, following the Thames until we reach Tower Bridge where we cross the river once more. From here, we head towards Bethnal Green, via Brick Lane.

We join the Regent's Canal and walk a lovely stretch through Mile End Park, to reach Victoria Park in South Hackney. With the canal by our side, our route heads towards Angel Station in Islington and St Pancras, before heading to Camden Town and passing through its famous market. We walk a short distance around the edge of Regent's Park, which is home to London Zoo and a favourite with many Londoners and tourists alike for its peaceful atmosphere. We loop south through Little Venice and then leave the canal behind us, skirting Hyde Park and pass the Natural History Museum and the Albert Hall.

The next few miles take us past a procession of landmarks as we head towards Buckingham Palace via Sloane Square, and skirt St James's Park heading up the Mall to Trafalgar Square. We continue south past Westminster Abbey, Big Ben

and the Houses of Parliament, before coming to the Thames. With the London Eye in sight, we know we've reached the final stretch, as we walk via the Southbank, cross back over the Thames and Victoria Embankment, before returning to our atmospheric hub in Bloomsbury Square Garden.

There will be plenty of time for celebratory photos on the Finish Line, relaxation and refreshments before heading back home.
