

MARATHON WALK LONDON

UK • TREK • TOUGH

ABOUT THE CHALLENGE

Join us for next year's marathon walk around London, taking in some of the capital's iconic sights and less-visited corners. Our route passes locations used in 26 films, from classics including Chariots of Fire and The Italian Job to Bond and Harry Potter films, Bridget Jones's Diary, Love Actually, the Da Vinci Code ... and a huge variety of other hits of the silver screen. With some spots instantly-recognizable and others more obscure, we guarantee you will be hitting the pause button as you watch these films again – but you have to reach the end first!

CHALLENGE INFORMATION

DETAILED INFORMATION

Leaders & Trip Support

Your trip will be led by experienced Discover Adventure leaders and support crew. Our leaders are selected for their knowledge and experience, friendliness and approachability, sense of humour and ability to safely and effectively deal with any situation that arises; they are also trained in first aid. You are in very safe hands with a Discover Adventure leader. The crew will have mobile phones and/or radios where appropriate, medical kit and other safety apparatus where necessary, as well as vehicle support.

Trip Doctor

An expedition doctor or medic accompanies the group (dependent on group size.) Their role is to look after the well-being of the whole group and deal with any incidents. They help the leaders to ensure the trip runs smoothly, and encourage you when things get tough. The total number of crew looking after you will depend on the final size of your group, but at Discover Adventure we pride ourselves on our high leader: participant ratio and believe it leads to greater trip enjoyment as well as excellent trip safety.

Trip Safety

Your safety, and that of the rest of the group, is our highest priority. Our trips are designed and planned with safety in mind. Your crew will be equipped with communication devices (eg phones, radios and/or emergency satellite phones), medical kit and other safety apparatus appropriate to the destination. Our leaders always have access to our 24-hour emergency UK back-up. They are responsible for safety on the trip, and will make any changes to the itinerary they deem necessary, should local conditions dictate. Pre-trip administration - such as medical questionnaires and travel insurance as appropriate - is all done with your safety in mind.

PREPARING FOR THE CHALLENGE

Clothing

We plan our trips around the optimal weather conditions, but could still be exposed to bad weather at any time. It is vital you are prepared for all conditions. We provide you with a detailed packing kit-list on registration, as well as details on useful discounts you are entitled to as a Discover Adventure customer. We are always available if you need advice.

Fitness Levels

This is designed to be a challenge, and it is vital that you train sufficiently for it. We will supply you with a thorough training guide once you have registered. Training is all part of the preparation: inadequate training will impact on your enjoyment of the trip, and your chances of completing it. We expect all participants to train hard in advance, but we respect everyone's limits and do not expect everyone to maintain the same pace.

GRADE | TOUGH (3)

Trip grades range from Challenging (1) to Extreme (5).

TOUGH trips can involve tough terrain, a very rigorous day and weather. They are endurance events and demand good stamina, fitness and a determined attitude.

Discover Adventure reserves the right to change the route or itinerary for safety reasons should local conditions dictate.
