Discover Marrakech (From Marrakech)

DURATION:

3 days

Stay in a beautiful historic riad, an ornately-decorated traditional Moroccan house set around a courtyard garden, in vibrant Marrakech. A haven of calm amidst the old city, your riad offers a perfect place to relax and soak up the sunshine from its rooftop terrace, while only being a stone's throw from the bustle of the souks.

The souks are crammed with fascinating sights, and you can haggle for everything from leather goods and shoes to spices and argan oil. Soak up the buzz in the Jma el Fnaa, Marrakech's huge main square, with its food-stalls, musicians, street-performers and snake-charmers, or just sit back in one of the many cafes and enjoy the cultural flavour. A guided city tour is included to get you started – then explore and shop to your heart's content!

This extension does not have an organised itinerary. You are free to spend your time as you wish.
