Koh Chang Beach Extension

DURATION:

5 days

Treat yourself after your exertions! The island of Koh Chang lies in the Gulf of Thailand, and its beautiful beaches and jungle-covered peaks provide the perfect relaxing backdrop. Quieter than the popular islands and party beaches further south, this is a wonderful place to get away from it all before heading back home.

You will stay in a plush 4* beachfront hotel, with pool and views over the palm-fringed beach, on a peaceful area of the island's south-west coast. There is no organised itinerary on the island; you are free to relax as you please.
