

## London To Paris Cycle Ride

Duration: 5 days

Cycling from London to Paris is one of the great cycle experiences in Europe. Passing through picturesque Kent countryside, we cross the Channel and continue through the small villages and medieval market towns of Northern France. With long days in the saddle and some strenuous hill-climbs, the sight of the Eiffel Tower, our finishing point, will evoke a real sense of achievement. Our last day in Paris allows us to explore the sights and soak up the romantic atmosphere of this majestic city!

**Due to very high demand, the original July 2021 trip is now full. Fear not though, as we've introduced a 2nd route (see alternative itinerary below that goes via Abbeville and Beauvais) so that you can still get to Paris to see the finale of the Tour de France on 18th July. The booking link can be found under the dates & prices tab.**

## DETAILED ITINERARY

### Day 1: London – Dover – Calais

An early start allows us to avoid the morning traffic as we pass through the outskirts of London onto quieter roads. It is not long before we are among the rolling fields and villages of rural Kent, passing orchards and traditional oast houses where hops are stored. We follow country roads across the hills of the North Downs to Dover and the coast. Taking the ferry to Calais, we have dinner on board and cycle the short distance (approx 5 miles) to our hotel. Night hotel. *(Dinner on ferry not included)*

**Cycle approx. 136km (85 miles)**

---

## Day 2: Calais – Abbeville

After a hearty breakfast we head south through beautiful rural landscapes. We ride through ancient Desvres, pedalling quiet winding roads running parallel to the coast. After lunch we reach the valleys of the Canche River and head further south towards Cr cy-en-Ponthieu – site of the 14th-century Battle of Cr cy. Continuing south, our final leg brings us to Abbeville, on the River Somme. Abbeville suffered badly from WW2 air raids, but its beautiful Flemish-style architecture is still in evidence and its Gothic church has been largely restored to its former glory. Night hotel.

**Cycle approx. 114km (71 miles)**

---

## Day 3: Abbeville – Beauvais

Leaving Abbeville behind us we follow the River Somme east out of the town in the direction of Amiens. These lands are renowned for the terrible battles of the First World War and are scattered with cemeteries and other poignant reminders of the thousands of men who died here. Our route soon turns south and we follow shady beech-tree-lined avenues so typically French, into meandering valleys and traditional farming hamlets. The cycling is mostly flat and through agricultural lands. Our day ends at Beauvais, a town renowned for its large gothic cathedral. Night hotel.

**Cycle approx. 104km (65 miles)**

---

## Day 4: Beauvais – Paris

Our final day's cycling takes us over the river Th ram and south of Beauvais towards the great capital city. Following small country roads we head towards the small town of Meru and continue south through beautiful countryside. As we reach the suburbs of Paris we look out for the distinctive landmarks of the Eiffel Tower and the Sacr  Coeur standing out on the skyline. Reaching the suburb of St. Denis we come to the River Seine; following its northern esplanade in the shadow of the Bois du Boulogne, we ride until we reach the Pont d'Iena and finish beneath the lofty arches of the Eiffel Tower. We check into our hotel and enjoy a great celebration to mark our achievements. Night hotel.

**Cycle approx. 80km (50 miles)**

---

## Day 5: Paris – London

After breakfast you are free to explore the famous sights of Paris. Later you can enjoy the huge spectacle that is the Tour de France! We don't have a set area to gather, but the 71m-wide Champs-Elis es is by far the best place to watch the laps before the final sprint; head over with your new cycling buddies, pick a spot and enjoy the incredible atmosphere. Spectators gather early to watch the world's most famous cycling event arrive home, and if you want a good view you are advised to get there many hours before the peloton! You are responsible for getting yourself and your bags to the Gare du Nord in time for your evening Eurostar train back to St Pancras, where you will be reunited with your bike. *(Lunch & Dinner not included)*

## GRADE | YELLOW

Trips are graded Yellow, Orange or Red, in increasing level of challenge. This trip lies within the **YELLOW** range.

The grade is determined by factors such as terrain, distance, climate, altitude, etc. Each colour grade has a **spectrum** which reflects the difficulty of these factors; trip duration, accommodation and living conditions (see icon) are also taken into account.

---

## Roomshare Arrangements

Accommodation is usually on a twin-share basis in hotels convenient to our route. Please tell us if you know somebody else on the trip that you would like to share with and we will try our best to accommodate your request. If you don't know anyone else in the group don't worry, we always pair you up with someone of the same gender, and a similar age where possible. We do not charge a single supplement if you are a solo traveller in a shared room.

There may be a limited number of single rooms subject to request, on a first-come first-served basis, after you have booked. Extra charges will apply.

## Group Size

Your booking is part of a group challenge and the tour costs and fundraising targets listed on our website are based on a minimum number of participants which is shown on the challenge. Our typical groups run with approximately 35-40 participants however you may find your group is smaller or larger than this.

We will confirm at least 12 weeks prior to departure that your challenge is guaranteed to run however occasionally it may be possible to still run the challenge with less than the minimum numbers, subject to a small group supplement. If we think a small group supplement may be necessary, we will discuss this with you as soon as possible, usually 5 months before your departure date.

**Minimum numbers and groups sizes may vary on Bespoke Charity challenges. If you are booked onto a bespoke challenge please contact your charity for full details.**

## Food & Dietary Requirements

We like to support local businesses and will source food locally. Lunches will be in restaurants along the route and dinners are usually eaten at the hotel. Do make sure you eat enough to give you the energy for your exertions. Being vegetarian or having other dietary requirements is not usually a problem provided you let us know well in advance. If you know there are plenty of foods you cannot eat you may wish to bring extra snacks from home so you can top up your energy supply.

## PREPARING FOR THE CHALLENGE

### Fitness Levels

This is designed to be a challenge, and it is vital that you train sufficiently for it. We will supply you with a thorough training guide once you have registered. We expect all participants to train hard in advance, but we respect everyone's limits and do not expect everyone to maintain the same pace. Inadequate training is likely to have an impact not just on your chances of completing the challenge, but enjoying it too - and we want you to have the time of your life!

Our challenges attract people of all levels of experience, fitness and ability as well as all ages and backgrounds. We design our challenges so that everyone can go at their own pace: this is not a race. If you have concerns about your fitness or if you have reduced mobility please do contact us for a confidential chat about whether this challenge is appropriate for you.

For logistical and safety reasons we sometimes need to re-group, so the front-runners may find themselves waiting for the slower ones. Please relax, and remember that this is a team effort that enables people to achieve their personal goals and earn sponsorship.

### Passport & Visa / Vaccinations

Entry requirements vary depending on your destination and nationality. It is your responsibility to ensure your passport is valid, and any visas are obtained in good time. Check the [FCO's advice](#) on entry requirements for your destination to be sure. To find out if you need a visa you can check your requirements using our partner, Visa Machine, website [here](#); please ensure you allow plenty of time.

Your routine UK schedule of vaccinations should be up-to-date (especially tetanus). We recommend you check [Fit For Travel](#) for further details. You should always check with a GP or travel clinic for up-to-date travel health advice as it does change.

We provide you with a detailed packing kit-list on registration, as well as details on useful discounts you are entitled to as a Discover Adventure customer. We are always available if you need advice.
