

Myeloma London To Paris Cycle Challenge

Riding in a peloton, you'll be flanked by motorcycle outriders, fully backed up by mechanics, remedied by sports physios and propelled forward by your very own support crew, making this the ultimate ride experience.

Rolling road closures ensure you ride safely without stopping for traffic lights or junctions and with three different speed groups led by experienced Ride Captains, anyone who's willing to put in some training can take on this challenge.

All this combined with the beautiful French countryside and enjoying the camaraderie with other riders makes for the ultimate London to Paris experience.
