

Saharan Mini Adventure

A challenging trek against the backdrop of the awe-inspiring Sahara Desert, this short but adventurous trip offers a bite-sized desert experience.

From flat desert floor scattered with ancient fossils, to perfect wind-blown sand-dunes, this trek is diverse and demanding. The vast, unforgiving desert is a truly beautiful place to discover, while the incredible star-strewn night skies are unforgettable, especially with a new moon.

Accompanied by Berber guides and a small caravan of camels, our remote night-camps with camp-fires and Berber singing are often a real highlight of the trip!

DETAILED ITINERARY

GRADE | YELLOW

All our trips are designed to provide a challenge. Trips are graded Yellow, Orange or Red, in increasing level of challenge. This trip lies within the **YELLOW** range.

The grade is determined by factors such as terrain, distance, climate, altitude, etc. Each colour grade has a **spectrum**

which reflects the difficulty of these factors. Trip duration, accommodation and living conditions are also taken into account. Some sections will feel more challenging than others, but the grade reflects the overall trip. Unusual weather conditions can also have a significant impact.

The Accommodation icon indicates the living conditions while trekking/cycling. While there are usually several factors that present a challenge, the Challenge icon indicates the trip's most challenging element, for most people.
