

# South Africa Safari Extension

## DURATION:

4 days

A trip to South Africa is not complete without seeing some of the wildlife synonymous with the great African Plains. This is a fabulous opportunity to experience open-vehicle safaris and guided bush walks while based at a comfortable lodge.

Lalibela Wildlife Reserve, in the Eastern Cape, offers authentic wildlife encounters among diverse landscapes. There's a good chance of seeing the 'Big Five' (lion, elephant, buffalo, rhino and leopard), as well as giraffe, zebra, hippopotamus, cheetah, hyena, several species of antelope, and smaller mammals and birdlife. Expert rangers will accompany you on guided bush-walks and vehicle safaris, sharing their passionate knowledge of the remarkable flora and fauna you encounter.

Your Safari Lodge features stone-thatch villas, and a viewing-deck, where you can dine under the stars. A softly-lit waterhole offers rare evening wildlife sightings, and there's a swimming-pool for your relaxation. This is an unforgettable way to top off your African experience!
