

UCLH London To Paris Cycle

Duration: 4 days

Cycling from London to Paris is one of the great cycle experiences in Europe. Passing through picturesque Kent countryside, we cross the Channel and continue through the small villages and medieval market towns of Northern France. With long days in the saddle and some strenuous hill-climbs, the sight of the Eiffel Tower, our finishing point, will evoke a real sense of achievement. Our last day in Paris allows us to explore the sights and soak up the romantic atmosphere of this majestic city!

DETAILED ITINERARY

Day 1: London – Newhaven – Dieppe

An early start from central London allows us to avoid the morning traffic as we pass through the outskirts of London onto quieter roads. We continue south towards Croydon, riding through beautiful rolling Surrey countryside and small, quiet villages. As we head further south a long climb takes us into Sussex; we then follow rolling roads up and over the beautiful chalk downs and descend into the harbour town of Newhaven. We board the ferry and have dinner en-route to Dieppe. Night hotel.

(Dinner on ferry not included)

Cycle approx 120km (75 miles)

Day 2: Dieppe – Vernon

We leave the busy port behind, heading southeast and quickly emerge into the quiet French countryside so typical of this region. Our roads are light on traffic, and there are sections of greenway (*avenue verte*) we can utilise. Passing a few small villages, we ride through the small, 12th-century town of Neufchatel-en-Bray and continue on

small roads through farmland and pockets of woodland. Most of our route rolls along through this beautiful rural scenery, though there are a few short climbs. Our day ends at Vernon, an ancient town on the banks of the River Seine. Night hotel.

Cycle approx 124km (78 miles)

Day 3: Vernon – Paris

Our final day's cycling takes us once more on quiet roads through small villages and woodland to the banks of the River Seine; we cross and head south through shady forest to Versailles and its famous Palace. From Versailles we head to our ride finishing point, the Bouygues Construction offices where we celebrate our achievements before boarding a coach into Paris to our hotel and continue our celebrations. Night hotel.

Cycle approx 90km (56 miles)
