

White Water Rafting Optional Activity

Anyone looking for a fun day of alternative adventure should try this great white-water rafting trip, which takes you down a beautiful section of the Urubamba. Rafting is a fun sport, suitable for all ages – no experience necessary!

The Urubamba River rises in the Andes and flows through the heartland of the former Inca Empire. The section we run is usually the Class III-IV Chuquicahuana section located above Cuzco, where a gentle start allows us to practise our technique before the river takes us through a beautiful canyon with views of the surrounding peaks and fun, adrenaline-pumping rapids. Rafting is a participatory team event, so your paddle is not just for decoration! Beware: you will get wet!

This day-trip replaces your free day in Cuzco at the end of your challenge; you will get back to the hotel mid-to-late afternoon.

Requires a minimum of 4 people to run. Please contact us for more details.
