Zanzibar Experience

DURATION:

3 days

Zanzibar – the Spice Island – conjures up romantic images of clear azure sea, white sandy beaches and fragrant spices. It lies off the Indian Ocean's Swahili Coast, home to some of the warmest ocean water on the planet.

We spend a night in atmospheric Stone Town and have the chance to explore its historic narrow stone alleys before heading to our hotel on the beautiful north tip of the island. Relax on the idyllic beach or arrange your own activities, from snorkelling and diving to dolphin-watching trips and spice tours – the perfect way to relax after the rigours of your trek.

Once in resort, this extension does not have an organised itinerary. You are free to spend your time as you wish.
